Summary: A survivor of one of MM's killing sprees asks why...

Why Michael?

Michael, what did you

Leave me with?

A broken life,

A broken dream.

A shattered mind,

A shattered reality.

My sanity is gone,

You took it away.

You left me with pain

And insanity.

My heart is filled with rage,

My mind with hateâ€”

All because of you, Michael.

Yes, you.

Because of you,

I've lost my humanity,

I am treated like an animal,

Now, Michael.

I am locked in this hospital

Because of you, Michael.

Because of you.
